

Children's Right to Equality and Respect Charter

At Shaftesbury Primary School, we believe that every child has the right to learn and be treated with respect. We understand that everyone is different, and that's what makes our school a special place. Here's what we promise to help you learn about and deal with:

Being Fair to Everyone:

- We will make sure that everyone in our school is treated equally and has the same chances to learn and have fun.
- We will be friends with people from different backgrounds, cultures and races.

Stopping disrespectful behaviour:

- If someone is being disrespectful because of the way you look or where you are from, we will help you and stop it.
- We won't let anyone disrespect you or your friends.

Learning about each other:

- We will teach you about different cultures, languages, and traditions so that we can all understand and respect each other.

- You have the right to ask questions and learn about the wonderful things that make each of us unique.

Keeping everyone safe:

- If someone is not being friendly or fair, we will make sure it stops, and we will talk about how to make things better.
- We all have the responsibility to keep our school a safe and happy place for everyone.

Knowing what to do

- We will teach you what to do if someone is not treating you or your friends fairly.
- You can always talk to a teacher or someone you trust, and we will help you.

Consequences for unkind actions:

- If someone is not treating others fairly, there will be consequences to help them understand why it's important to be kind and respectful.
- We will all work together to make sure our school is a place where everyone feels happy and included.

Remember, Shaftesbury Primary School is a place where everyone is valued and respected. You have the right to learn about different cultures and traditions, and we are here to support you if you ever need help. Together, we can make our school a wonderful and welcoming place for everyone!
